

Response from HOA Board on 12-1-2010

Dear Greg & Terry,

We thank you for your interest and concerns regarding 763 Kio Court.

Per ARC review our neighbors have painted the exhaust pipe to home color.

Gates will be installed in the fence to open the equestrian easement as needed.

Grading will be addressed by Arapahoe County at completion of approved work shop.

The equipment/maintenance trailers have been removed.

Thank you again,

Watkins Farm HOA Board
